

**Request For Proposals (RFP)
for the
Puget Sound Clean Air Agency**

The Puget Sound Clean Air Agency (Agency) is soliciting responses from experienced individuals or organizations that are qualified and willing to provide and install diesel exhaust emission reduction retrofit equipment that has been verified by the US Environmental Protection Agency or the California Air Resources Board (CARB) to achieve CARB Level 3 emission control (“diesel particulate filters”) on cargo handling equipment at marine terminals located at the Port of Tacoma in Pierce County, Washington.

Written responses are due at the Agency’s office by noon on November 12, 2009. To download a copy of the RFP packet, go to the Puget Sound Clean Air Agency’s webpage at: <http://www.pscleanair.org/announce/notices/rfprfq.aspx> , or contact Carol Pogers at (206) 689-4080 (or toll-free 1-800-552-3565, ext. 4080) to request a copy.
